

CHANTICO GLASSFIRE

ETHANOL BURNER

Commerce Technology®

GLASS CYLINDER

This durable glass cylinder protects the flame from any air blows, making it stable at all times.

COMMERCE TECHNOLOGY®

Planika developed a uniquely safe Commerce Technology®, which is based on highly absorbent ceramic fibers. If you accidentally tilt the fireplace, the fuel will remain inside the burner.

CLEAN & EFFICIENT FIRE

The fireplace utilizes bioethanol, the green source of energy. It produces fire that is rich in colour and doesn't emit any smoke.

PORTABLE

No hard connections and compact size make the fireplace fully portable. Put it on your patio table or bring it inside the house anytime you want.

BEST BUILD QUALITY

The product is built to the highest quality standards. Made of best materials and components, it is always safe and reliable.
